

# 3VB Banking Litigation Forum 2025

## Financial Litigation in Transition: Crypto Disputes, Intermediary Roles, and Sanctions Risks

3VB's annual Banking Litigation Forum 2025 will bring together leading practitioners, academics, and industry experts to discuss the most pressing issues shaping financial litigation. The keynote address will be delivered by Professor Sarah Green, a leading authority on commercial and financial law. The Forum will feature three panel sessions: the evolving landscape of digital assets and crypto disputes; the future role of intermediaries in financial services; and the challenges of sanctions and Russia-related litigation.
